

Spring 2022 Performance Contract: Alice's Adventures in Wonderland

Our spring performance audition and rehearsal schedule will start in January. The audition will be held on Thursday, January 13th from 5:30-7:30 and is mandatory for a role in the production. Rehearsals will start on Saturday, January 15th. The rehearsal schedule will be on our website at www.blancoballet.com. Rehearsals are also mandatory.

All dancers will audition for all roles. However, roles will be assigned based on level of dance participation and commitment. The 9 main roles require a high level of commitment and ability to be available on many Saturdays. I will have secondary roles in which dancers will be given two parts and those roles will also require a high level of commitment. I will then have secondary roles that only require one to two Saturdays plus the all-cast rehearsals.

The levels will be divided as follows:

Dance Company and Pointe Level (minimum 3 classes/week): These dancers qualify for the main roles or two secondary roles. \$125 (due February 1st)

Performance Level (2 classes/week): These dancers will qualify for one secondary role. \$80 (due February 1st)

The level of commitment is a chance for all dancers to participate in a way that matches their personal schedules.

Please check the level of participation, sign the bottom of this form, and return it to me by January 10th.

I would like to participate in the spring performance at the **Dance Company and/or Pointe level**. If I have not shown the class participation qualifications in the past semester, I will make class participation a priority this semester.

Or:

I would like to participate in the spring performance at the **Performance Level**.

Or:

I would like to only participate in set design and backstage help.

I understand that rehearsals are mandatory and class participation a priority.
